LOCATION

At the foothills of the Southern Alps, on the east coast of New Zealand's South Island lies a magical destination famous for its 'healing' waters and thermal pools. Where the air is crisp and fresh, in its elevated position 380 metres above sea level, Hanmer Springs is home to the beautiful Select Braemar Lodge.

Just ten minutes by car to the quaint Hanmer Springs Village and 90 minutes drive north of Christchurch, Braemar Lodge is ideally placed en route from Marlborough, Kaikoura or the beautiful West Coast. Average summer temperatures range from a refreshing 7–30°C, while winter temperatures for the ski season vary from 3–18°C.

Visit over 70 vineyards of the Waipara Wine region, enjoy Lake Sumner nature hikes or horseriding and mountain bike trails through the enchanting Hanmer Forest. Experience trout fishing off the beaten track and complete rejuvenation at the award winning Thermal Pools and Spa.
